

Student Travel Grants

Lincolnshire Branch of the English Speaking Union

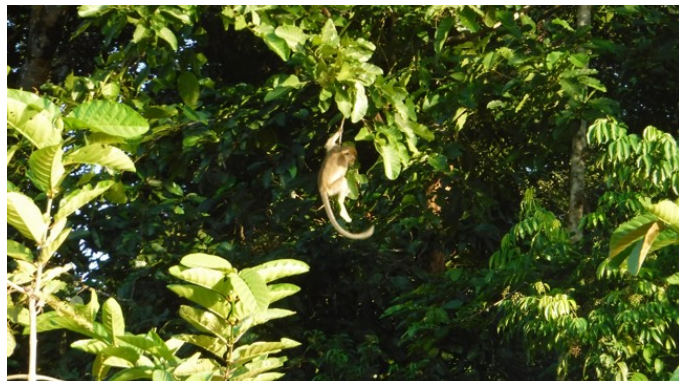

The ESU has supported many young people in developing and furthering their education.

Are you planning to travel abroad next year for a month or more?

Would a travel grant from the ESU make the difference?

For further details look at our website, www.esu.org

For application details please contact: Rachel@rachelburch.com

Thea from William Farr School in Lincolnshire travelled to Borneo. She told us,

“I gained great memories and confidence from travelling and meeting lots of new people, this really helped me as I started university. I went to Borneo to be part of an environmental conversation project and this meant I learned lots about the rainforest and the issues they faced in the area. I gained so much from this real-life experience.”

For more information visit: www.esu.org look at the Lincolnshire branch page to download your application form.

Closing date for applications 28 February 2020
